5 BULLS

19 FEMALES

5 COW & CALF PAIRS

Commercial cattle will sell immediately following the Purebred sale.

MANAGERS MESSAGE

This is the eighth sale for the Northeast Kansas Shorthorn Association. The quality of the cattle for this sale will be very good. A number of the females offered were originally intended to be kept for replacement stock, but because consignors wanted this to be an outstanding sale, they are offering some of their best cattle.

We have some very good cow and calf combinations, bred cows, and some outstanding heifer calves for club projects.

The demand for serviceable-aged bulls for crossbreeding has been greater this year than any time in the past. Serviceable-aged bulls are scarce. We have only five registered bulls consigned in this catalog, but we have a few entered in the commercial sale which follows sale of registered cattle. All the bulls will be of good quality.

Study the pedigrees, and plan to attend this sale. If you cannot attend the sale, you may phone or send bids to sale manager, auctioneers, or Association representative. Any late sale messages should be phoned to Horton Civic Center, Horton, phone area code 913-486-9707.

For other information about this sale contact sale manager, Abilene, Kansas, phone 913-479-5533.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
